**SHERIFF'S DEPARTMENT – QUARTERLY STATUS REPORT ON HIRING AND
RETAINING HEALTH CARE PERSONNEL**

On April 12, 2005, your Board instructed the Chief Administrative Office to report every three months on the status of hiring and retaining health care personnel in the jail. In our report dated September 14, 2005, we advised the Board that during the supplemental budget phase we added 141.0 positions and transferred \$10.0 million in funding from the Provisional Financing Uses Budget to the Department. We further reported that we would continue to provide quarterly tracking reports to the Board during FY 2005-06, which would include: (1) tracking the existing baseline Medical Services Bureau (MSB) positions; and (2) tracking the 141.0 positions added during supplemental.

Attachment A compares the existing baseline MSB positions to the 141.0 positions added during supplemental and details the progress the Department has made towards filling vacancies within those classifications. As of June 12, 2006, the Department has filled 108.0 of the 141.0 enhanced MSB positions, indicating a net increase of 13.0 positions since our last report.

Please let me know if you have any questions, or your staff may contact Debbie Lizzari at (213) 974-6872.
